

# ACS ON CAMPUS

THE AMERICAN CHEMICAL SOCIETY  
IS COMING TO NANJING UNIVERSITY

## MAY 18, 2017

Nanjing University, Xianlin Campus,  
163 Xianlin Road, Qixia District

The American Chemical Society's premier outreach program is coming to Nanjing University. On May 18, learn from the ACS editors about preparing a manuscript, the peer review process, copyright and ethics, and science communication.

The event is **FREE and open to the public**. Content is appropriate for all students and researchers studying the sciences.
